

**Enlightened:**

What possibly caused this issue?  
What are the most important ideas?  
What might you see?

**Empowered:**

Who has power?  
Who does not have power?  
Who makes the decisions about this?

**Engaged:**

Why should people know about this?  
What could we do to try to change this?  
What "powers" can we access to take action?

**The ECC Wrap**

*Place issue in center & use ECC's to  
Construct Knowledge*

**Empathetic:**

Who benefits from this?  
Who gets hurt from this?  
What is important to everyone? Why?  
What are the different points of view?

**Ethical:**

What rights are involved?  
Whose are they?  
What are the responsibilities involved?  
Whose are they?  
Are they being upheld and broken?
