

Enlightened:

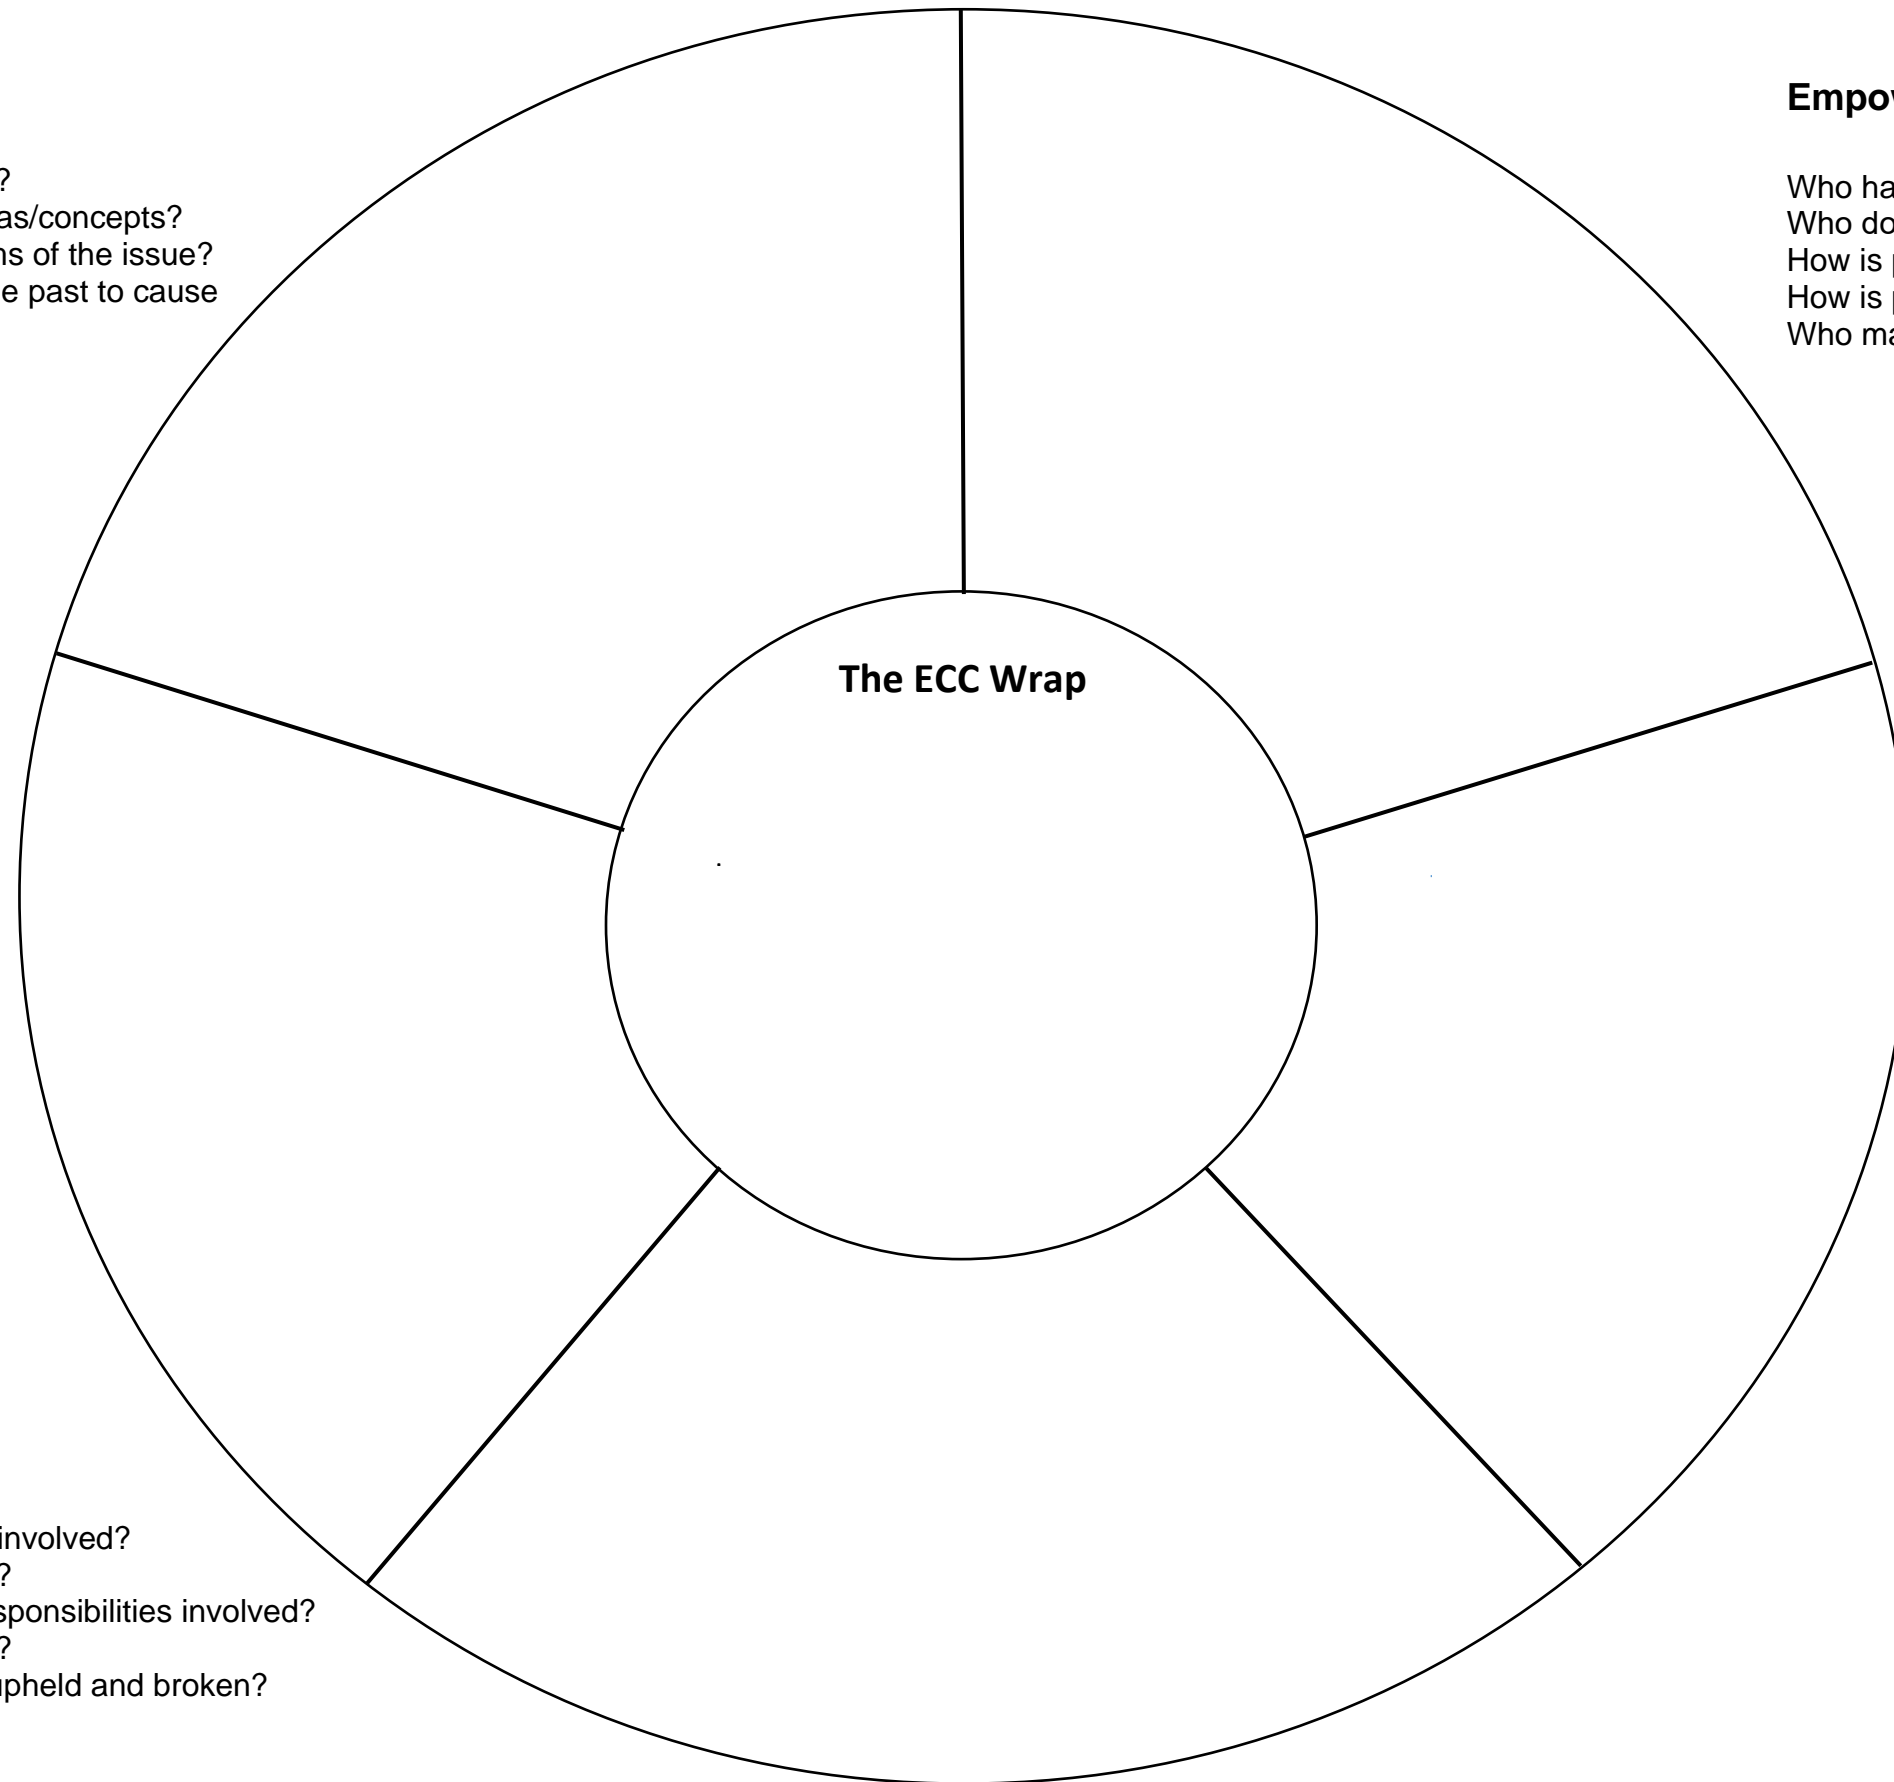

What possibly caused this issue?
What are the most important ideas/concepts?
What are the signs and symptoms of the issue?
What might have happened in the past to cause this issue?

Empowered:

Who has power?
Who doesn't have power?
How is power gained?
How is power lost?
Who makes the decisions about this?

Engaged:

Why should people know about this?
What can we do to bring about change?
What "powers" can we access to take action?

Empathetic:

Who benefits from this?
Who is this harmful to?
What is important to each one? Why?
What are the different points of view?

Ethical:

What rights are involved?
Whose are they?
What are the responsibilities involved?
Whose are they?
Are they being upheld and broken?
