

Enlightened:

What possibly caused this issue?
What are the most important ideas?
What might you see?

Empowered:

Who has power?
Who does not have power?
Who makes the decisions about this?

Engaged:

Why should people know about this?
What could we do to try to change this?
What "powers" can we access to take action?

Empathetic:

Who benefits from this?
Who gets hurt from this?
What is important to everyone? Why?
What are the different points of view?

Ethical:

What rights are involved?
Whose are they?
What are the responsibilities involved?
Whose are they?
Are they being upheld and broken?
