

ENGAGED

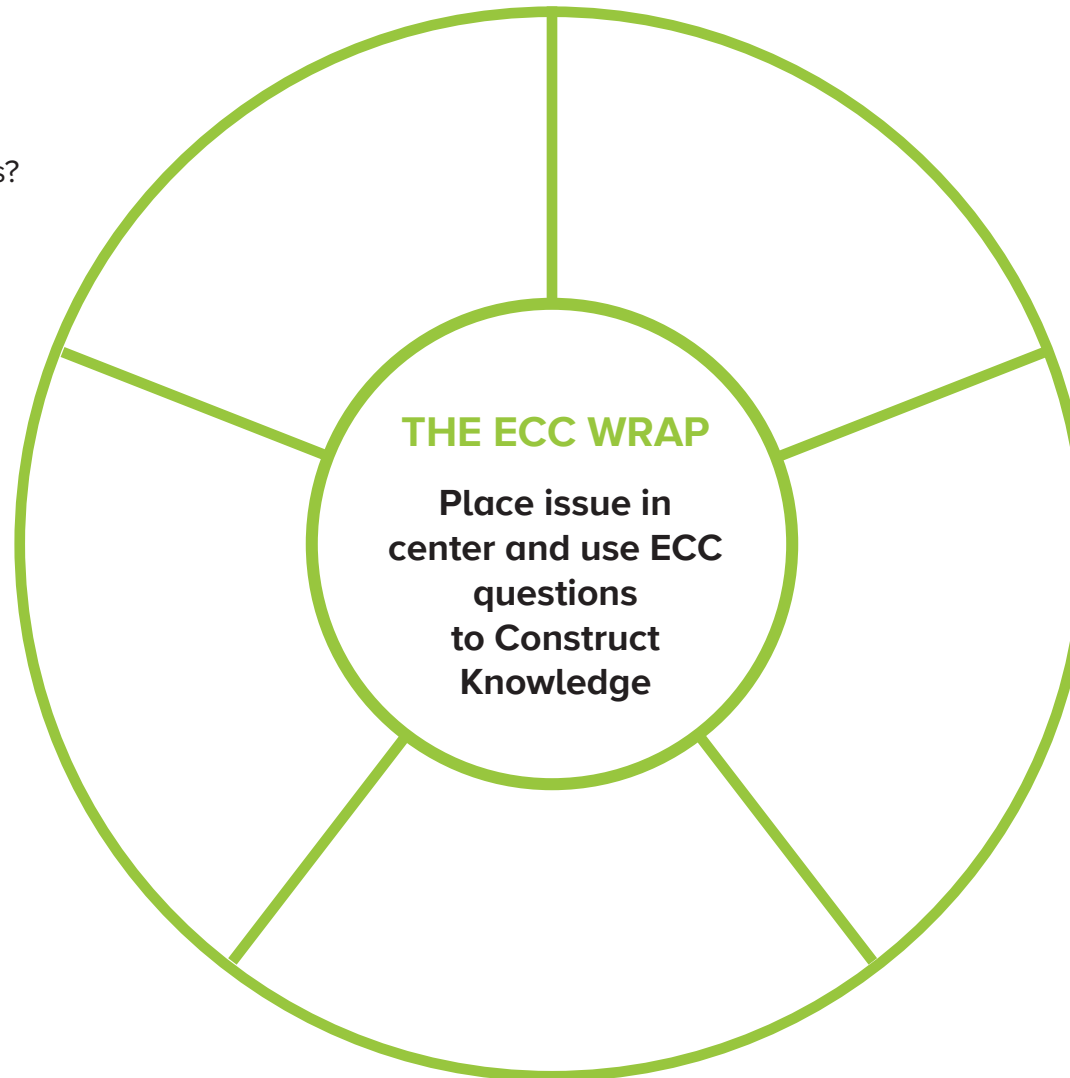

- What actions do / could people, organizations, and institutions take?
- With what implications?
 - positive and negative
 - intended and unintended
 - immediate and long-term
- Which actions target the problem at its roots?

ETHICAL

- What are the rights involved?
- Whose are they?
- What are the responsibilities involved?
- Whose are they?
- Are they being upheld or broken?

EMPATHETIC

- Who are the stakeholders?
- The points of view?
- What is most important to each one? Why?

ENLIGHTENED

- Let's start with the 5Ws!
- What led to this?
- What are the key signs and symptoms of the problem?
- What are the root causes?

EMPOWERED

- What kinds and levels of power are involved?
- Who has it? Who doesn't?
- How is power gained? Lost?
